

Advisement Worksheet for Health Science BSc

Use this worksheet in preparation for registration planning and refer to your degree evaluation to determine which courses you still need to complete. LEP and Writing Intensive courses should be added in after core courses have been mapped out (core courses with an "*" may also meet LEP requirements).

Core Courses

Listed in recommended order (not required order). Must have 5 of the 7 completed at the time of upper-level program review.

	Core Course	Course required prior to completing core course
	*ENG 112/ENG 120/HON 150 or LEP Written Communication for transfers	ENG 110/119 or placement into ENG 112/120
	*MAT 107	MAT 100/P or high enough placement
	*PSY 100	
	*BIO 200	
	BIO 201	BIO 200
	*CHE 120	MAT 100P or placement into MAT 100 or higher
	CHE 121	CHE 120

	HSC 200	Recommended before beginning upper-level program requirements
--	---------	---

You will find 1 Writing Intensive within the major.

IMPORTANT INFORMATION

- * Students will earn acceptance into the BHSc program after completing minimum entry requirements.
- * For details on program progression eligibility and which courses must be completed prior to upper level coursework, please visit the [BHSc Admission Webpage](#).
- * The review process currently occurs **once per year**, during the spring semester.
