## Make a Gift of Securities to Support SCSU

### Why Consider a Gift of Securities to SCSU?

If your investments have appreciated over time, you may be able to give much more than you thought possible by transferring appreciated securities (stocks, bonds, and mutual fund shares) rather than cash. You could possibly avoid the potential capital gains tax on the appreciation, provided you have owned the investment for more than one year. SCSU benefits from the full amount of your gift.

### How to Make a Gift of Securities to the SCSU Foundation

To ensure the transaction is properly executed and credited, please complete the form below. Return it to us and please inform your broker to contact SCSU gift processing (contact information listed below) directly, prior to making a transfer to SCSU's Fidelity account. Our Fidelity account is as follows:

The form must be completed and returned to us each time you make a gift of securities. If you hold the securities in certificate form or have any questions, contact the SCSU Foundation to ensure the most efficient transfer possible.
